

CALIFORNIA SLATE
COMPANY

THE ENDURING BEAUTY OF
NATURAL SLATE ROOFING.

TECHNICAL DETAILS
NEW YORK RED

New York Unfading Red slate is a rare, high-quality stone sourced from select quarries in New York.

Renowned for its vibrant brick-red color, it retains its appearance over time without fading. This premium roofing material is exceptionally durable, with a lifespan exceeding 100 years. It is often used as an accent in roof designs or blended with more common gray, black, and green slates to create distinctive roofs.

Color representation is for reference only. Contact California Slate Company for accurate color samples before final selection. Contact us for tile selection guidance.

KEY FEATURES

Color & Texture:

- Medium-to-dark red with a smooth, lightly textured surface; uniform appearance with subtle tonal variation.

Durability:

- High-density, non-fading, resistant to severe weather and freeze-thaw cycles.

Workability:

- Requires power tools for cutting due to high hardness; consistent in quality and finish.

Longevity:

- Service life of 100+ years with minimal upkeep.

Standards:

- Meets ASTM C406 (S1 Grade) for modulus of rupture, absorption, and weather resistance.

Cool Roof:

- N/A
